

Nour Fikri Yousef Salameh

Content Moderator Advisor | Policy Compliance | Quality & Safety Operations

Professional Summary

Detail-oriented Content Moderator with hands-on experience reviewing high-volume digital content to ensure compliance with platform policies and safety standards. Proven ability to identify sensitive and policy-violating content with high accuracy while meeting strict quality and productivity KPIs. Background in UX/UI, QA, and Business Intelligence enhances analytical judgment, documentation quality, and user-focused decision-making.

Professional Experience

Content Moderator – CSMENA | 2025 – Present

- 1 • Review, classify, and moderate user-generated content (text, images, videos) according to client policies and legal standards.
- 2 • Detect, flag, and escalate sensitive, abusive, or non-compliant content while maintaining confidentiality and ethical judgment.
- 3 • Consistently meet quality, accuracy, and turnaround time KPIs in a fast-paced moderation environment.
- 4 • Apply strong attention to detail and critical thinking to ensure fair and unbiased moderation decisions.

Internships & Training

MofeedAI Company – Business Intelligence Intern & UX/UI Trainee | 2025

- 1 • Supported requirements analysis and early-stage design validation through UI/UX testing.
- 2 • Reported usability issues and design defects, contributing to improved user experience and system clarity.

Volunteer & Leadership Experience

Business Volunteer Team (BVT) – IT Lead, HR Assistant & Design Support

- 1 • Led technical support activities and assisted in organizing large-scale academic and professional events.
- 2 • Coordinated with a 40+ member team to maintain documentation, systems, and internal workflows.

Technical & Professional Skills

- 1 • Content Moderation & Policy Compliance
- 2 • Quality Assurance & Documentation
- 3 • Digital Safety & Risk Assessment
- 4 • HTML, CSS, Python, C#, MySQL
- 5 • AI & Automation Tools (CrewAI, Langflow, n8n)
- 6 • SAP ERP – Business Process Integration
